Cambodia

## COURSE FORMAT

You'll study for 120 hours in 4 weeks, with 20 hours of practicals included! It's a full time, Monday to Friday schedule. You'll have evenings and weekends free for assignments, preparation, and bonding with your classmates.

## TEACHING PRACTICES

You'll teach real students, and your practise hours will amount to a total of 20 hours during your 4-week course. The practical lessons will be held in the same location as your TEFL course, meaning you'll be comfortable in the classrooms you'll teach in.

## TYPE OF ASSESSMENT

You will be constantly observed and assessed throughout the your theory and practical hours. There are essays, and a final essay and exam to complete.

## COURSE LOCATION AND CENTRE

The training center is right in the heart of Samui Thailand. There's a wealth of local attractions and restaurants to enjoy in your downtime. Street vendors are on every corner, cooking plentiful, fresh, enticing food.

## REQUIREMENTS

To do the TEFL course need to be at least 20 years old (although each case is considered on a case by case basis). You can also be a non-native speaker of English as long as you have a level C1 or above, which will be tested during the interview. If you have a Bachelors degree (in any discipline) you are guaranteed a job. There are also opportunities to teach for non-degree holders.

## JOB MARKET AND EMPLOYMENT POSSIBILITY

Cambodia has a large job market for TEFL teachers. Since it's an up and coming country, there's a huge incentive for Cambodian people to learn English.

## VISA REQUIREMENTS

Visa information changes all the time. Most candidates enter on a pre-purchased tourist visa. Following the course and once you've secured your new job, you'll be guided through the process of applying for a work permit. This is correct at the time of publication, for accurate up to date information, please email/contact us.

# WORK IN CAMBODIA

In Cambodia, there are jobs in private language centres, or in a primary/secondary school environment. There are opportunities to teach all ages, from kindergarten through to business English adult classes. You'll have full support in securing the role that suits you best.

Most TEFL teachers have classes for 20-25 hours per week, and preparation time in between. The larger cities have lots more opportunities and better pay but there are jobs in more rural location too with benefits such as teachers accommodation.

Salaries are between \$1000-\$1600 USD per month, dependent on background and working hours. If you hold a bachelors degree (in any discipline) you can expect to earn at the higher end of that scale.

Phnom Penh is the beginning of your TEFL journey in Cambodia. Based in the south centre of Cambodia, it's the largest and wealthiest city in the country. There's so much to see and do; temples, museums, the Royal Palace and some of the most luxurious hotels you could see.

It's cheaper to live in Cambodia than it's neighbours, since it's still a lesser known destination. This is also advantageous, since a lot of the attractions and landscape are unspoilt. In the capital, there is a tempting array of foods, traditional Khmer street food, or just around the corner haute cuisine. Even at the best of restaurants the bill may bring a smile to your face, eating out is so inexpensive.

There's something to excite everyone – for the more adventurous the north east boasts stunning scenery, wildlife, trek routes and mountain biking experiences. You can explore the famous temple of Angkor Wat, a UNESCO heritage site that brings thousands of visitors to Asia each year. Famously, Tomb Raider was filmed at the temples and in Cambodia. Another side people often aren't aware of, is handmade silverware, crafts and artwork all sold at local markets for a fraction of the price you'd find elsewhere.

Cambodia is truly a magical place to live, and as a TEFL teacher, you'll be helping to shape the country's future as a thriving Asian nation.
