

Teach English in
Madrid

COURSE FORMAT

The TEFL program in Madrid is a level 5 accredited (TQUK) hybrid TEFL course, with 6 observed teaching practices in person. You'll have access to our online classroom and can start working through the 65 hours online component that you'll need to complete before you start your on-site, practical training. After the two-week intensive program on-site in Madrid, you'll be fully prepared to start working as an English teacher anywhere in the world.

TEACHING PRACTICES

There are 6 teaching practices, which cover all levels of English (beginner to advanced) and include individual and group classes. All teaching practices are observed and include detailed feedback by experienced TEFL trainers. The teaching practices are carried out in the same building.

TYPE OF ASSESSMENT

The course is assessed through weekly projects, a main project, and a final exam. This is all externally moderated and approved by the accreditation board.

COURSE LOCATION AND CENTRE

The TEFL center is located in the middle of Madrid and is modern and bright. There are big classrooms for the TEFL training and the teaching practices are carried out in the same building in classrooms to suit smaller group sizes – ideal for teaching group English classes.

REQUIREMENTS

To complete the TEFL course you need to be at least 18 years old (although each applicant is considered on a case by case basis). You can also be a non-native speaker of English as long as you have a level C1 or above, which will be tested during the interview. A Bachelors degree (in any discipline) is preferred, however there are plenty of TEFL jobs for non degree holders.

JOB MARKET AND EMPLOYMENT POSSIBILITY

The team in Madrid have contacts at all of the top agencies and academies in the city and further afield so that you will be able to find work easily, and also in the field, you would like. As a non-EU visa holder, you will be able to get straightforward, paid work placements with your university visa. You can work as many hours as you like anywhere you like, meaning you can build the perfect timetable.

VISA REQUIREMENTS

EU passport holders can live and work in Spain without restrictions. For Non-EU passport holders you will need a visa to live, study and work in Spain for longer than 3 months. Many TEFL providers allow their students to come to Spain and stay illegally after the three month period, however, TEFL Connect provides a course that allows non-EU passport holders a university visa for a year, which includes Spanish classes, ongoing Professional Development and you can legally work as many hours as you like, anywhere you like. You'll not only receive your Advanced TEFL Certificate, but learn a new language as well!

WORK IN MADRID

For non EU candidates you get the opportunity to learn Spanish to fulfill your visa requirements. This is the only TEFL program in Spain that can offer you legal, straightforward, paid work placements with your visa, where you can work as many hours as you like, anywhere you like. This program gives you absolute flexibility to decide what type of teaching is right for you.

100% of the qualified teachers who have joined this program have found paid teaching work here in Madrid. We have an extensive network to organize these placements, regardless of your preference to work with children, adults, business or general English.
